

48/6209 Turkey Necklace Craft Kit

1. Peel the backing off of the adhesive red foam feathers and stick them to the yellow foam feathers. Repeat for the printed orange and yellow foam feathers, sticking them to the red foam feathers.
2. Peel the backing off of the adhesive large foam circle and stick it to the orange and yellow printed foam feathers. Repeat for the adhesive small foam circle and stick it to the top of the large foam circle to make the turkey head. Peel the backing off of the adhesive foam face and stick it to the small foam circle.
3. Peel the backing off of each adhesive foam wing and stick one wing to each side of the large foam circle as shown. Peel the backing off of the adhesive foam bow and stick it to the center of the large foam circle below the head.
4. Thread the satin cording through the holes provided at the top of the foam feathers. String the following pony beads onto each side of the satin cording: One white bead, one yellow bead, one orange bead, one brown bead and one red bead. Tie a knot at the end of each set of beads to secure beads in place. Tie the two ends of the cording together to complete the necklace.
